

## Metamora-Hadley Recreation Area

*All programs meet at the Red Barn*

Thursday July 17:

**"Skins and Skulls", 1030-1130am**

Hold real mammal furs, skulls, and learn how to identify mammal tracks! Also take part in a craft that you can use at home!

**Park Predators, 3:00-4:00pm**

Predators are all around us, even here at Metamora! Come learn about some of these park predators and how they hunt for prey!

Friday July 18

**"Wonderful Whitetails", 10:30-11:30am**

Check out cool items related to whitetail deer, get a chance to hold real antlers and skulls, and more!

**"The Marvelous Flying Mammal", 8:30-9:30pm**

Come learn about the only true flying mammal, possibly see them live during the program, and have a chance to win a prize!

Saturday July 19

**Mammal Survivor, 3:00-4:00pm**

Come learn amazing adaptations that some Michigan mammals do through fun competitions and games in order survive! Have a chance to win candy and a prize!
